

This weekend, we're taking on the world in Australia.

It's official. A1 Team.NZL is in the thick of the closest title fight in A1GP's short history. At the halfway point of the season, New Zealand leads the 22-nation World Cup of Motorsport by just two points. A margin the team will be looking to extend when they take on the world in Round 6 of the A1GP at Eastern Creek, Sydney this weekend. Jonny Reid has had plenty of success at Eastern Creek in the past. He won there while racing in the Holden Formula 4000 series in 2003 and led A1 Team.NZL to a pair of 2nd place finishes at the track last season. TV3's exclusive coverage begins 4.30pm Sunday with highlights from Qualifying and delayed coverage of the Sprint Race. Full delayed coverage of the Feature Race will screen later that night at 10.25pm. Keep up with all the action at www.A1NZL.com and by watching every round of the A1GP on TV3.
